

CBSE Question Papers Leak

What is the issue?

\n\n

\n

- The CBSE recently announced of re-conducting two of the Board exam papers due to question paper leak.
- It calls for changes to exam methodology and immediate measures by CBSE to restore its credibility.

What happened?

\n\n

\n

- The Class 12 Economics and Class 10 Maths examinations question papers were found to be leaked.
- Police received two separate complaints in Delhi.
- Following complaints, the CBSE announced to re-conduct the exams.
- The Delhi Police registered two separate FIRs under IPC Section 420 [cheating] and 406 [criminal breach of trust].
- The case has been transferred to the Crime Branch for further investigation.

What is the concern?

\n\n

\n

- The question papers are usually sealed and stored in secret places.
\n
- They are released to authorised officials with a window of only a few hours.
\n
- In addition, the board has dedicated secrecy officers for each region.
\n
- But clearly, the standard operating procedure was easily breached in the present case.
\n
- The questions were circulated on instant messaging platforms.
\n
- It is evident that the Ministry of Human Resource Development failed to assign top priority to secrecy and integrity of the process.
\n

What is the way forward?

\n\n

- \n
- **Inquiry** - The HRD Ministry should conduct a thorough inquiry to get at the truth and initiate remedial steps without delay.
\n
- **Authority** - The National Testing Agency was cleared by the Union Cabinet last year.
\n
- The Centre assured that this would soon be operationalised to prevent a repeat of question papers leaks in public examinations.
\n
- NTA was although was originally supposed to take charge of entrance examinations in the first phase.
\n
- **Testing Methodology** - The testing pattern lays too much emphasis on quantitative indicators.
\n
- Also, social pressure associated with education makes it more vulnerable to corruption pressures, undermining the very purpose.
\n
- There is thus a need for a credible testing method to assess a student's aptitude and learning.
\n
- Multiple assessments, instead of the current one all-important definitive board examination, could be considered.
\n

- This can go a long way in reducing the exam stress for the students.
\n
- But for now, the CBSE has to restore faith in its processes.
