## Prelim Bits 12-09-2018

### VC 11184

\n\n

\n

- India's first missile tracking ship VC 11184 has been built by Hindustan Shipyard Limited (HSL).

\n

- It has the capacity to carry 300-strong crew with hi-tech gadgets and communication equipment, powered by two diesel engines, and a large deck capable of helicopter landing.

\n

- It will be named after its official induction into the Indian Navy.

\n

- This will be the first of its kind ocean surveillance ship being built as part to strengthen the country's strategic weapons programme.

\n

\n\n

### YudhAbhyas

\n\n

\n

- YudhAbhyas is a military training exercise which is part of the Indo-US defence cooperation.

\n

- The joint exercise will simulate both nations to work together in counter insurgency and counter terrorism environment in mountainous terrain under United Nation charter.

\n

- The exercise will help further build interoperability between the forces of both the nations.

\n

\n\n

## **Exercise KAZIND-2018**

\n\n

\n

- It is a joint military exercise between Indian and Kazakhstan Armies, commenced in Otar Military Area, Kazakhstan.

\n

- This is the third edition of joint military training exercise between Indian Army and Kazakhstan Army.

\n

- The joint training aims to build & promote army to army relations and exchange skills & experiences between Indian Army and the Kazakhstan Army.

\n

\n\n

## **APSARA - U**

\n\n

\n

- Apsara is the first research reactor in Asia became operational in Trombay campus of Bhabha Atomic Research Centre in 1956 and the reactor was shut down in 2009.

\n

- Recently a swimming pool type research reactor “Apsara-upgraded”, of higher capacity was setup at Trombay.

\n

- The reactor, made indigenously, uses plate type dispersion fuel elements made of Low Enriched Uranium (LEU).

\n

- This reactor will increase indigenous production of radio-isotopes for medical application by about fifty percent and would also be extensively used for research in nuclear physics, material science and radiation shielding.

\n

\n\n

## **Railsahyog**

\n\n

\n

- Indian Railways has launched a web portal [www.railsahyog.in](http://www.railsahyog.in), It will provide a platform for the Corporates and PSUs to contribute to creation of amenities at/near Railway Stations through Corporate Social Responsibility funds.

- \n
- The companies desirous of contributing can show willingness on the portal by registering their requests.
- \n
- This portal will provide an opportunity for Industry/ Companies/ Associations to collaborate with Railways.
- \n
- The portal has been envisaged as a platform for all including individuals as also private & public organisation to contribute towards CSR activities in association with Indian Railways.
- \n
