Society.

Q The homophobic attitude of society goes against the constitutional tenet of paternity. Comment.

Ans.

According to Britannica encyclopedia "Homophobia" means fear or prejudice produced by culture leads to violence and hate against Homosexual. With Supreme Court stated Homosexuality is not illegal, still society shows sign of Homophobia.

Why society against Homosexuality and LGBTQ

- \* people believe it is unnatural  
∴ Adam and eve, not Adam and Steve.
- \* ~~Prey~~ society thinks this as less dignity.
- \* Religious and cultural belief also main reason.

## How Homophobia is against constitutional concept of Fraternity.

- \* "Fraternity" or brotherhood is concept of integration among people forgetting or disregarding difference between people.
- \* People are separated by caste, creed, Religion and fighting with each other by "hate". Now Homophobia also added in the list of hate creators.

## "Homophobic sexuality" - why should be accepted.

- \* People should raise their tolerance.
- \* Homosexuality, LGBTQ is not new it is also mentioned in society.
- \* At last, It is time to accept the rights of oppressed (LGBTQ).

### Conclusion

Ambedkar and J. K. Jaisankar who were firm advocate of Fraternity stated it is not constitutional legal principle but moral principle or should stop creating hate and try to live together. It is high time for making Homosexuality legal.
