

Q1 The PM's Plan to create a million government jobs in mission mode over 18 months need to be carefully thought through and implemented. Discuss.

Sol Ahead of the next lok sabha polls in 2024,

To give selection to the Major problem of unemployment,

Central Govt (PM) announced that Govt will recruit

10 lakh persons
over
next 1.5 years

Is This Possible Really?

* let's look at Data of the Central Government Personnel.

There are 33.94 lakh strength as per March 2022, in the central Government (employees working)

Total sanctioned strength → 41.52 lakh

As per Reply by Minister Jitender Singh in the Lok Sabha, Total 8,21,794 vacancies are available.

Hiring of 10 lakh person is possible.

Contractual Employees

Additionally, 24.09 lakh contractual employees are working in the central govt.

No. of persons hired last year 2021-22:

Total → 2.81 lakh → UPSC → 13,400

→ SSC → 1,51,000

→ RRB → 1,18,000

Overall

Recruitment to such a large scale (30%) of existing personnel is welcome step by the Indian govt. But Budget constraints should also be kept in mind.
