2 India's presidency of G20, SCO and UNSC is a historic opportunity for reinventing UN. Explain.

India is all set to take up the Presidency of G20, Shanghai co-operation Organisation (SCO) and UNSC in 2023. It will give a fillip to the forgotten rules based world order.

### Slow pace of the UN

The covid vaccination drive was spearheaded by India through Vaccine Maitri rather by the UN. The UN was a silent observer when Russia unaided Ukraine - still strong actions are not taken.

### Bending of world orders

The commitment by G7 regarding \$100 Billion pledge for climate finance is in slumber and the WTO dispute settlement body is still not elected. China is asserting its global security initiative

## India's role as President.

In G20 through the finance track can build consensus on crypto regulation, global minimum taxation and diversity macro economic policies.

The Shimla track can aid in education, health and trade collaborations.

Apart from uniting ISA International Solar Alliance and ADB - African Union can be added.

In SCO India can collaborate closely with Russia and further expand oil trade and foster the INSTC construction. The RATS - Regional Anti Terrorism Structure can influence Pakistan China Nexus against India for our betterment.

In UNSC vouch for diplomacy and dialogue over outweight sanctions.

India launched the SG and became the fifth largest economy and will become populust country in 2023 on ideal base for promotion for Vasudeiva Kutumbakam.
