Candidates must not write on this margin

Q. TO achieve excellence in higher education in the country, autonomy needs to be provided in all aspects. Examine.

↳ Autonomy → It is regarded as a necessary and sufficient condition to attain excellence.

↳ World Rankings and India

↳ 2023 edition of QS world university ranking reckons that three of India's higher educational institutions amongst top 200 of the world.

↳ Times Higher Education (THE) ranking places only one Indian institutions among top 400 of the world.

↳ Institution of National Importance

↳ IITs Indian Institute of Technology ranking

IPP. Reason:

↳ Better funded

↳ Greater degree of Autonomy → Gajendra

Gradhiar committee which explained the concept of Autonomy

↳ They fall outside regulatory purview of UGC and AICTE.

↳ University Grants Commission → funding to all universities and have very strict regime and AICTE regulations → so there is kind of micro management of these institutions happens.
