

Knowing of the Past somewhat being in some aspects, some thought, #1  
Globalisation, Urbanisation resulted in transforming one from socially backward  
to developed.

→ In case of Birsa munda, Entire village stood with him, for  
preserving their long rituals habit and their traditional Cultural  
Heritages. This is an example of Others' or Nationalist feeling  
that arises in every Indian irrespective of Community, Caste, Color or  
Race.

• A Perfect example of how a Tribal man without much support  
from outside, tends to preserve their culture.

• A critical thing is feeling from near - which younger generation  
can learn from him. He breaks barrier apart from Communalism  
An ultimate goal christed for him. even though he failed, his  
name and valiant effort creates perfect example to many younger  
generations -
