Answer Questions in NOT MORE THAN the Word Limit specified for each in the Parenthesis.  
Content of the Question is more important than length.  
( Specimen Answer Booklet - For Practice Purpose Only )

उम्मीदवारों को इस हाशिए में नहीं लिखना चाहिए  
Candidates must not write on this margin

## ↳ Draft Regulation

↳ Educational institutions just being reputed in their home country would be a sufficient requirement

↳ It doesn't seem concerned about the subjectivity and scope of discretion

↳ Initiative may still fail due to contradictions in the regulations. It demands that the quality of education imparted by these institutions in India must-par with quality of courses.

↳ Education institution must not do anything contrary to sovereignty and integrity of India, security of state

## ↳ Need way forward

↳ students do not go abroad for degree alone, also go for the experience, income opportunities and better career prospects studying in foreign ~~country~~ university in India would not offer them none of these.

↳ India needs to have enabling frame work for the entry and operation of foreign higher educational institutions. Ensure that the best of best setups their campuses in the country.
