

Discuss the domains that will add additional strength to the foundation of an Indo-US partnership.

India & USA may be separated by distance but the roots are always connected as USA being the "oldest Democracy" & India being the "Largest Demo-cracy".

Trade :

- one of the largest trade partners of India is USA
- High trade in Pharmaceuticals, Textile, Bauxite, Stones, Agri products etc
- Strong logistic support.

Strengthening Trade will improve both the economy resulting in flourishing of Development.

## Climate Action:

- Technology Sharing in accordance to COP 26
- One Sun one world one Grid,
- Provision of Developmental funds & investments in from USA in Renewable sources.

## Security:

- QUAD, Malabar Exercise etc
- with quad along comes the AUKUS which provides safety from Chinese threats
- Free & safe Joint trade in the Indo-Pacific Region.

## Miscellaneous:

- Service provided to US outsourcing company which benefit both way
- Sharing of technology like GPS
- India's Plan on Commercial Space Launch vehicle etc..

With the improvement in these domains the roots between the US-India Relation shall be evergreen & everlasting in the coming time.
