

Q) what is meant by state funding of elections? Does it pave the way for the conduct of the free, fair and transparent election in the country?

" what is really needed to make democracy function is not knowledge of facts, but right education " → mahatma Gandhi.

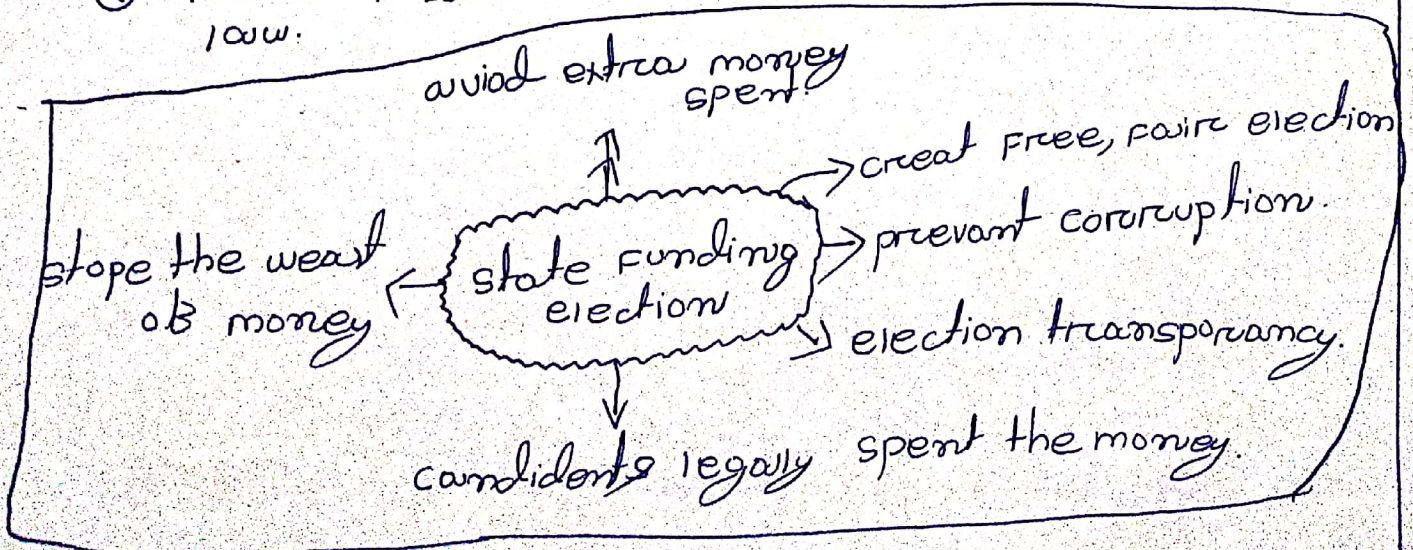

india is a democratic country so election is must needed for people choose their leader. through the election.

several time chief election of india implement various types of policy for free, fair election like state funding of election among them.

state funding of election means the government provide money to the candidates for contesting election.

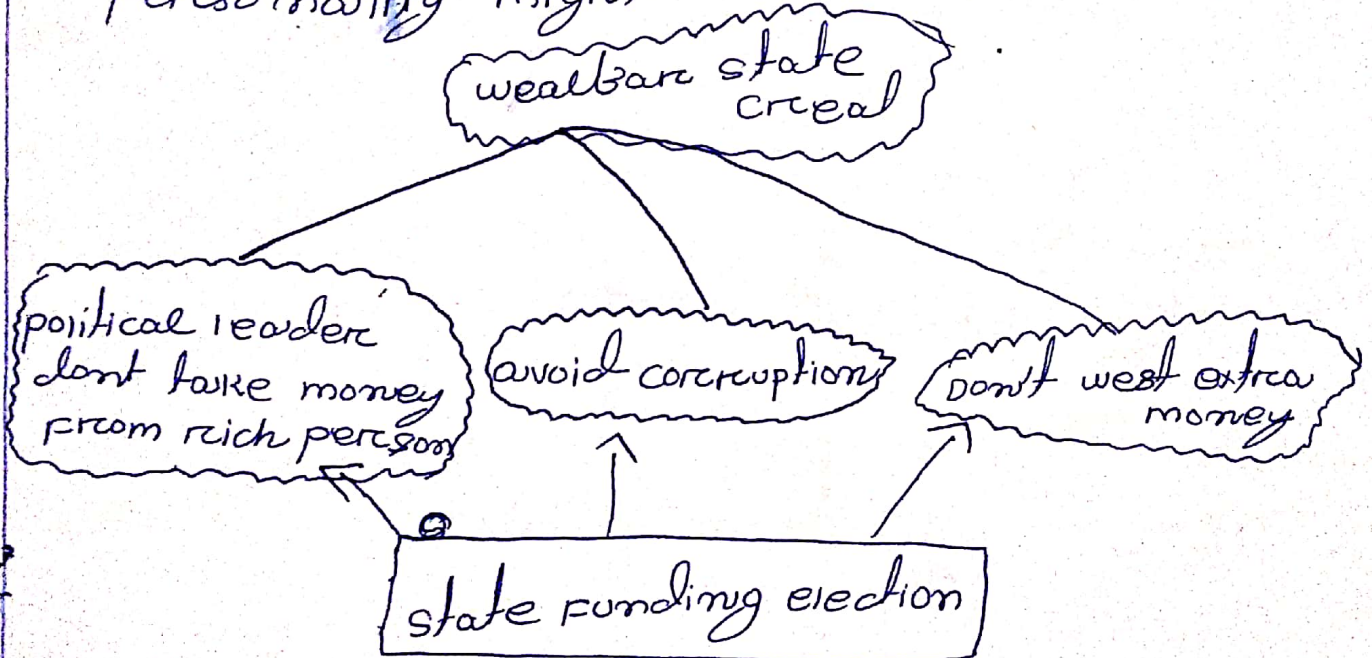

various types of committee like

- ① indrasit Gupta committee for state funding election
- ② law commission report on reforms of electoral law.

So for that state funding election a free and fair, transparent election conducted.
impact on this state funding election.

- ① avoid black money and people consciously gave vote to the leaders.
- ② avoid the waste of money.
- ③ political leaders do not take money from rich person that's why their personality might be develop.

by the chief election commission of India. it is a good step towards the free, fair and transparent election.
