

A credited social health activists and Anganwadi workers should be given proper benefits by the Govt. of India to ensure overall develop. in the Country. Examine

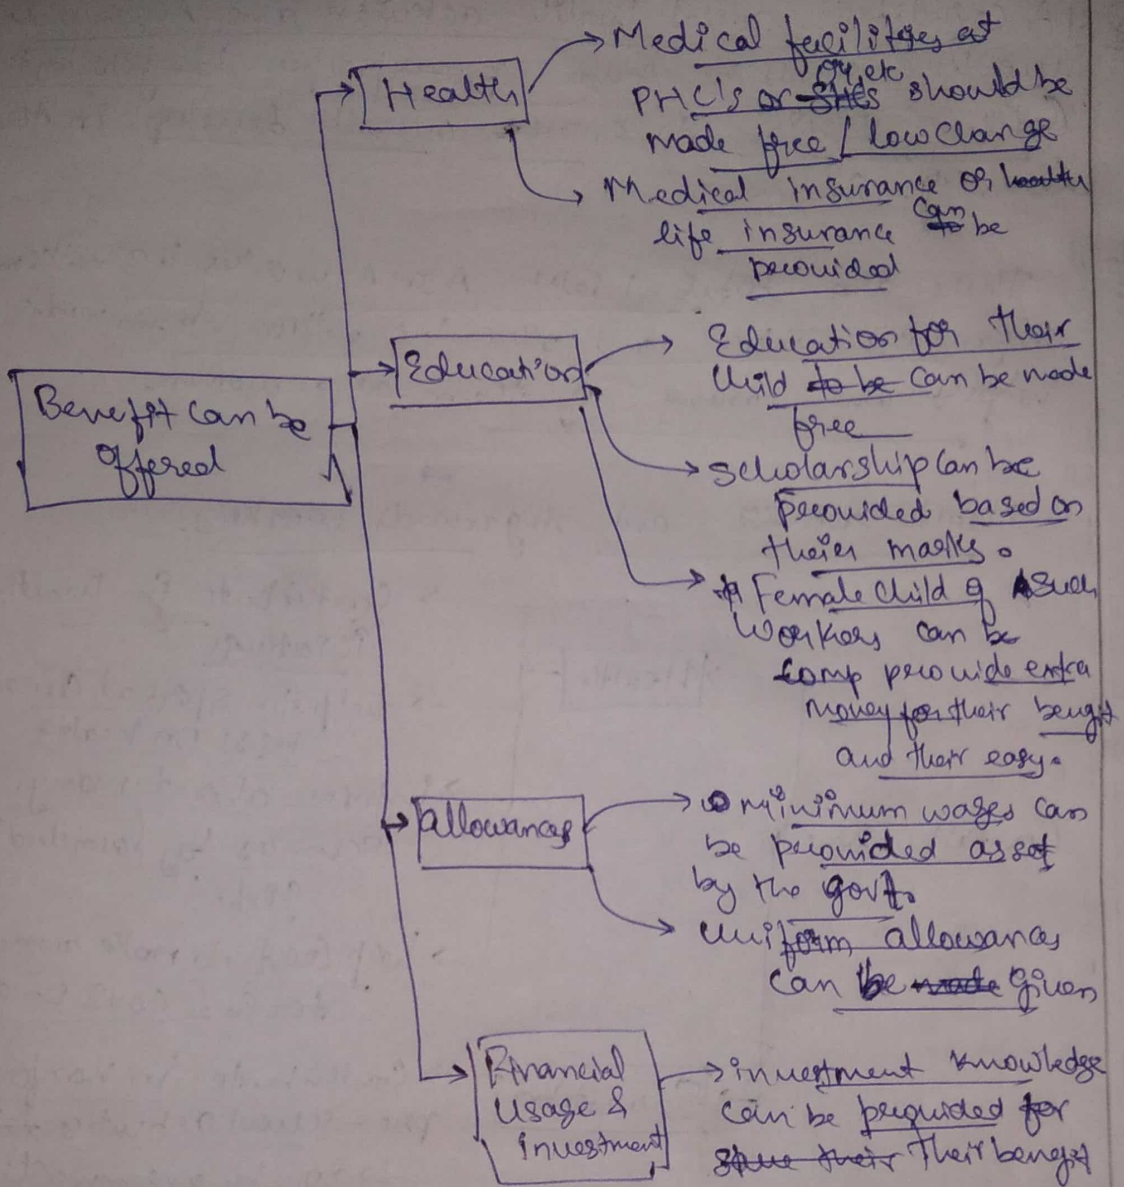

There are total 1 lakh ASHA workers, 1.3 million Anganwadi workers and other 1.2 million Anganwadi helpers and many of them are women.

Health Activist and Anganwadi workers:

These workers work with low or no fees salary or wages.

Prop. Benefit by the Govt. of India for their overall development to be availed.

→ All these ~~to~~ benefits can help to improve the women participation and increase women empowerment

A Conclusion?

The workers of ASHA, Anganwadi workers, Anganwadi helpers ~~can~~ work for society with no or less money or benefit. This ~~but~~ reduces their will to join and with such benefit.

These benefit can help to make their life better and help in development of their life
