China's escalation

③ ~~to~~ New developments in Peperang area for skrimisking with India.

④ Recent intrusion in Arunachel Pradesh (Tuseang), further escalates situation.

Key strategic partnership

① Back up of US is needed to counter China agresion in border area.

② partnership with west countries for counterpart China's strategies.

③ India's financial assistance to Srilanka for cut off China's help.

④ \$2 billion for economic crisis

⑤ QUAD for maritime security in Indian ocean for stop China's intrusion.

Overall, we should keep this issue in ongoing crisis forum for getting fine results favour with India. is need of hour.
