

29/1/20
Since Act East policy to Look East Policy 2015.
North eastern Region offer tremendous
potential in terms of growth & development
of Service Sector.

* It has aimed by implementing Connectivity
& collaboration of Cultural, Social, Economical
& strategic importance of South East
Asian countries.

* The Except Sikkim, Nepal, Bhutan
& North Eastern Region & North Bengal
is the treasure house of resources
serving good excellent hubs for
mining & other industries

* The North Eastern region are producer of
81% of world's tea, with improved
infrastructure & transport, logistic services
exports can be increased

* There are centres of 'District Export Hubs'
Promoting a good of producers to lay
promoting 'One District & One product
policy'.

- * Tourism sector can be improved at these places as they attract huge tourists for their lush natural ~~scapes~~ & beautiful scenic views.
- * Scheme like Highway connects, Road & Projects, Rail line, modernization of Hydro projects under India-Japan Act.
- * They are largest producers of fruits & vegetables. Now, in the pandemic govt has planned to export more ~~processed~~ processed product. These regions can benefit from it.
- * Education sector like boarding/Residential schools in Darjeeling attract many students. Improvement more on providing good residential school improves the 'Gross Enrollment Ratio' & literacy level & adding more money into its growth.

CONCLUSION :-

By improving connectivity, bilateral, multilateral economic cooperations with other South-East Asian countries & as well as improving the tourist, education, pharmaceutical transport, infrastructural growth in Northeast ~~can~~ offer more potential.
